Suppliers

Most of our meals are home made on the premises using quality ingredients from local suppliers.

Meat is supplied by Complete Meats of Exeter, who source meat from Devon wherever possible, and fruit and vegetables by Alice White of Moretonhampstead.

If you wish to substitute any item on the menu please let us know. For example we have a choice of four different types of potato – chips, mashed, boiled or jacket which can be supplied with a meal

For customers with a smaller appetite many of our meals are also available in a smaller size. Please advise staff when placing your order
